

Meet My Team

Napa-Solano Doctoral internship in Clinical Psychology Mental Health Training Program Bio's

Supria Gill, PhD
(Internship Co-Training Director)

Dr. Gill received her Bachelor of Arts Degree at UC Davis, and her doctorate in Clinical Psychology from Palo Alto University. Dr. Gill completed her pre-doctoral internship in Health Psychology at the VA Portland Health Care System, and postdoctoral training with an emphasis in Behavioral Medicine at Kaiser Permanente Vallejo/Vacaville Residency Program. Dr. Gill specializes in psychological approaches to health promotion and behavior change in integrated care. Dr. Gill joined the Behavioral Medicine team in Vacaville as a staff psychologist in 2017 following completion of residency. Dr. Gill also serves as the Health Psychology Liaison for the Northern California Regional Mental Health Training Programs.

Dr. Gill is adjunct faculty at Palo Alto University, where she teaches courses in the graduate training program. Dr. Gill has co-authored several papers related to utilization of healthcare services, novel depression interventions, as well as the effects of perceived stress on psychosocial functioning. Dr. Gill serves as a primary individual supervisor for the Psychology Doctoral Interns.

Neda Soussanbari, PsyD
(Internship Co-Training Director)

Dr. Soussanbari received her B.S. from the University of California, San Diego (UCSD) and her Psy.D. from The Wright Institute. Dr. Soussanbari completed her predoctoral internship and postdoctoral residency at VA Sierra Nevada Health Care System and Kaiser Permanente Vallejo Medical Center, respectively, where she received training in providing behavioral medicine services. After completing her residency, Dr. Soussanbari joined Kaiser Permanente's staff as a clinical psychologist. Dr. Soussanbari is now the Co-Training Director of the internship program. Dr. Soussanbari serves as a primary individual supervisor for the Psychology Doctoral Interns and leads didactic training.

Candice Ryan, PsyD

(Vacaville, Consult Liaison and Hospital Services, Trauma Services Consultation & Liaison Supervisor)

Dr. Ryan received her B.A. from UC Berkeley, her M.A. and her PsyD from Adler School of Professional Psychology in Chicago. Dr. Ryan completed her doctoral internship at Health Point in Washington and her postdoctoral residency at Kaiser Permanente, Vacaville. Dr. Ryan is a Trauma Services C&L supervisor in the doctoral internship program.

Adriana Weyandt, PsyD

(Fairfield, Adult, Child & Triage Manager, Individual Supervisor)

Dr. Weyandt obtained her B.A. in Psychology from U.C. Riverside, and her M.A. and Psy. D from Alliant International University in Sacramento. Her internship was at Asian Americans for Community Involvement (AACI) in San Jose working with the Child & Family Team and in the Center for Survivors of Torture. Her post-doctoral residency was with Kaiser Permanente in South Sacramento in 2012.

Megan Da Vania Clark, PsyD

(Vallejo/Vacaville/Napa, Behavioral Medicine Team)

Dr. Clark graduated from California School of Professional Psychology in 2006. Dr. Da Vania completed her postdoctoral residency at Kaiser Permanente, San Rafael, in the Addiction Medicine and Recovery Services Department in 2007. After working at Kaiser Permanente, Oakland, in the Eating Disorders Clinic, Dr. Da Vania moved to Behavioral Medicine in Napa, and is now Manager of Behavioral Medicine for the Napa Solano Service Area. Dr. Da Vania is a delegated supervisor in the Behavioral Medicine Department for Vallejo and Napa.

Daniella Halperin, PhD
(Vallejo, Adult Team)

Dr. Halperin earned her doctorate degree from Northeastern University in 2016. Her doctoral research focused on non-suicidal self-injury among college students. While in graduate school, she acquired diverse clinic training in a variety of settings in the Boston area, including the Center for Anxiety and Related Disorders at Boston University, Boston VA National Center for PTSD, Massachusetts Mental Health Center, and UMass Lowell Counseling Center. She completed her predoctoral internship at the Columbus VA in Ohio prior to joining the Psychiatry Department at Kaiser Permanente in Vallejo as a postdoctoral resident. Dr. Halperin has been trained in evidence-based treatments such as Dialectical Behavior Therapy (DBT), Cognitive Behavioral Therapy (CBT), and Acceptance and Commitment Therapy (ACT). On the Adult Team in Vallejo Dr. Halperin has co-facilitated various groups, including DBT Essential Skills, Advanced DBT Skills, Social Anxiety, Happiness and Wellbeing, Depression, and the Mindful Way Through Grief. Dr. Halperin is currently program evaluation supervisor for the doctoral program along with Dr. Aubyn Fulton. She also serves as a primary supervisor in the practicum program.

Aubyn Fulton, PhD
(Vallejo, Adult Team)

Dr. Fulton received his B.A. from Pacific Union College in Psychology and Religion and his M.A. in Theology and PhD in clinical psychology from Fuller Theological Seminary. He completed his doctoral internship at Martinez VA Medical Center. He was a staff psychologist at Napa State Hospital and in part-time private practice, specializing in the treatment of mood and anxiety disorders in young adults and general psychological assessment. He was a professor of psychology at Pacific Union College in Napa Valley, chairing the Psychology and Social Work Department for ten years. He was sponsor of the Black Student Union and building on his dissertation research on the relationship of religiosity to both homophobia and tolerance, facilitated a support group for LGBTQ young adults in religious communities. Currently his clinical duties in the Vallejo Department of Psychiatry include providing individual psychotherapy, crisis intervention and co-facilitating a group for young adults finding their path to meaningful, autonomous identities. Currently his clinical duties in the Vallejo Department of Psychiatry include providing individual psychotherapy, crisis intervention and co-facilitating one group for young adults, and another for African Americans. He is also both an individual clinical supervisor and a co-group supervisor for the Program Evaluation Projects in the training program and is the Curriculum Liaison for the Regional Mental Health Training Programs.

Matthew Holland, PsyD

(Vallejo, Behavioral Health Manager of Adult Services)

Dr. Holland received his B.A. in Psychology from UC Berkeley in 2002 and his doctoral degree in Clinical Psychology from The Wright Institute in 2016. Dr. Holland completed his doctoral internship at the Integrated Health Psychology Training Program in Contra Costa County and was a postdoctoral resident at Kaiser Permanente San Rafael's Psychiatry Department.

Dr. Holland joined the Vallejo Psychiatry Department in 2017 and, soon thereafter, served as the clinic's Adult Team representative on the Achieving Clinical Excellence committee for the Northern California region of Kaiser Permanente. In this clinic liaison role, he facilitated a case consultation group for Adult Team clinicians to support the framework of Feedback Informed Care. In 2018, he had the pleasure of being a contributor on the Tridium Mental Health Advisory Council, a regional committee tasked with developing the implementation and clinic workflows of digital feedback tools designed to support clinical practice and improve patient outcomes. Currently, Dr. Holland provides support and coordination for the maintenance of virtual programs for Napa Solano's Psychiatry Department and Behavioral Health Education.

Dr. Holland is actively involved in the training program as an Assessment Supervisor for; past roles in the training program have included provision of individual, clinical supervision. He has also served on the Behavioral Medicine Faculty for the Family Medical Residency program for the 2020-2021 training year.
