Postdoctoral Program Admissions

Date Program Tables are updated:

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:
The training program accepts applications from candidates who are pursuing degrees in Health Psychology, School Psychology, Clinical Psychology, Counseling Psychology or Education. Candidates selected for a postdoctoral residency position must have completed all requirements for a doctoral degree from an APA accredited doctoral program prior to the training program's start date. Candidates selected for a postdoctoral residency position must also have completed a doctoral internship at an APA-accredited or APPIC-member program by the time their residency begins. In addition, their doctoral degree must be conferred by December 31st of the same year in which residency begins.

Describe any other required minimum criteria used to screen applicants:
All qualified candidates must have the legal right to work in the United States without current or future employer sponsorhip; which includes but is not limited to H-1B, TN, AC-21, O-1, E-3, F1 OPT or F-1 CPT. All applicants must apply through the APPA CAS portal. Since this is a training program, we cannot accept an applicant who has or will have completed a postdoctoral residency and/or achieved licensure.
