

You are invited!

Kaiser Permanente's Mental Health Regional Training Programs presents  
**The Hidden Challenge: Strategies to Address Substance Use Disorders in Your Clinical Practice**

**Date:** Tuesday, April 9, 2024

**Time:** 1:00 – 4:30PM (Pacific Time)

**Webinar link:** [The Hidden Challenge: Strategies to Address Substance Use Disorders in Your Clinical Practice - Kaiser Permanente Mental Health Training Program Northern California](#)

**Target Audience:** Kaiser Permanente mental health & addiction medicine physicians as well as therapists, nurses, and other healthcare team members who care for our members with substance use disorders.

**Faculty:**

**Thomas Freese, PhD**, Director, UCLA Integrated Substance Abuse Programs

**Planning Committee Members:**

**Honor Hsin, MD, PhD**, Assistant Program Director for Kaiser Permanente San Jose Adult Psychiatry Residency, Adult Psychiatry & Addiction Medicine & Recovery Services

**Jennifer Thom, PhD**, Assistant Regional Director, Mental Health Training Programs, Kaiser Permanente NCAL

**Chelsea Vilinskas, PsyD**, Continuing Education Liaison for the Mental Health Regional Training Programs, Kaiser Permanente NCAL

**Kathryn Wetzler, PsyD**, Regional Director, Mental Health Training Programs, Regional Mental Health, Kaiser Permanente NCAL

**Sonya Flores**, Project Manager, Mental Health Training Programs, Kaiser Permanente NCAL

**Mary Choi, MPH**, Sr. Consultant, TPMG Physician Education and Development

**Education Objectives:**

As a result of attending this program, participants will be able to:

1. Identify 3 important drug trends in California.
2. Integrate 2 simple screening procedures into clinical practice.
3. Identify 3 physical/psychological effects of substance use that can impact interactions with patients.
4. Implement strategies to address SUD with clients as part of clinical care.

**CME Credit Information:**

CME Credit will be granted to participants who attend the live activity and complete the evaluation survey within 10 days.

TPMG Physician Education and Development is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians.

TPMG Physician Education and Development designates this live activity for a **maximum of 3.0 hours total of AMA PRA Category 1 credit(s)**<sup>TM</sup>. This activity also meets the requirement for 3.0 hour(s) of DEA Opioid or Other Substance Use Disorder credit.

If applicable, successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME requirement of the American Board Surgery's (ABS) Continuous Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABS credit.

To receive CME credit, participants must log-on to the session (see webinar link above), complete the online evaluation survey, and claim credit within 10 days of the activity date.

**CME Survey via course link: [tpmgphysicianed.org/mh040924](http://tpmgphysicianed.org/mh040924)**

The survey is located via an internal KP website so network access & KP computer log-ins are required. Employees can click "Login," if connected to the KP network to locate the survey, or certificate.

**Disclosure of Relevant Financial Relationships:**

TPMG Physician Education and Development has determined that none of the speakers, planning committee members, and consultants for this educational activity have relevant financial relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing health care products used by or on patients. Kaiser Permanente does not endorse any brand-name products.
